“Kilo”

Kilo, a two-year old Black Labrador Retriever, is our newest partner in detecting illegal drugs coming into Warren County. Kilo is a joint venture between the Warren County Drug Task Force and the Warren County Sheriff’s Office, with his handler being Deputy Brian Lewis.

Deputy Lewis and Kilo are designed and equipped to scour our Interstates and other highways, in search of those people who would transport illegal drugs for sale in Warren County or other parts of the United States. This team also assists us in search warrant service at residences and motor vehicles, during the course of our investigations.
